**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS**  
MAY 7, 2003

This Proxy Statement is furnished on or about April 4, 2003, to holders of the common stock of Strayer Education, Inc. (the "Corporation"), 1100 Wilson Blvd, Suite 2500, Arlington, VA 22209, in connection with the solicitation by the Board of Directors of the Corporation of proxies to be voted at the 2003 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held at 9:00 a.m. local time on May 7, 2003, at the Ritz Carlton Hotel, Pentagon City, 1250 South Hayes Street, in Arlington, Virginia.

The cost of soliciting proxies will be borne by the Corporation. Copies of solicitation material may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of shares of the Corporation's common stock, and normal handling charges may be paid for such forwarding service. Solicitation of proxies may be made by the Corporation by mail or by personal interview, telephone and telegraph by officers and other management employees of the Corporation, who will receive no additional compensation for their services. The Corporation has also retained MacKenzie Partners, Inc. to provide proxy solicitation services for a fee of \$5,000 plus reimbursement of its out-of-pocket expenses.

Any stockholders giving a proxy pursuant to this solicitation may revoke it at any time prior to exercise of the proxy by giving notice of such revocation to the Secretary of the Corporation at the Corporation's executive offices at 1100 Wilson Blvd, Suite 2500, Arlington, VA 22209, or by attending the meeting and voting in person.

At the close of business on March 24, 2003, there were 10,652,412 shares of the common stock of the Corporation outstanding and entitled to vote at the meeting. **ONLY COMMON STOCKHOLDERS OF RECORD ON MARCH 24, 2003 WILL BE ENTITLED TO VOTE AT THE MEETING**, and each share will have one vote. As described beginning on page 2, the Corporation also has a class of convertible preferred stock which is, as of March 24, 2003, convertible into 3,792,913 shares of common stock and which, as a class, is currently entitled to designate five out of twelve members of the Board of Directors of the Corporation. Convertible preferred stockholders are not entitled to vote on the matters for which proxies are being solicited hereby.

**VOTING INFORMATION**

At the Annual Meeting votes will be counted by written ballot. A majority of the shares entitled to vote will constitute a quorum for purposes of the Annual Meeting. The election of the Board of Directors' nominees for seven common stock directors will require the affirmative vote of a plurality of the common shares present in person or represented by proxy and entitled to vote in the election of directors. Ratification of the appointment of the Corporation's independent auditors and approval of any other business which may properly come before the Annual Meeting, or any adjournments thereof, will require the affirmative vote of a majority of the common shares present in person or represented by proxy and entitled to vote thereon. Under Maryland law and the Corporation's Articles of Incorporation and By-laws, the aggregate number of votes entitled to be cast by all common stockholders present in person or represented by proxy at the Annual Meeting, whether those stockholders vote "For," "Against" or abstain from voting, will be counted for purposes of determining the minimum number of affirmative votes required for approval of such matters, and the total number of votes cast "For" each of these matters will be counted for purposes of determining whether sufficient affirmative votes have been cast. An abstention from voting on a matter by a common stockholder present in person or represented by proxy at the meeting, other than the election of directors, has the same legal effect as a vote "Against" the matter even though the stockholder or interested parties analyzing the results of the voting may

interpret such a vote differently. Broker non-votes will have the effect of reducing the number of shares considered present and entitled to vote on the matter. Abstentions and broker non-votes will have no effect on the election of directors.

A common stockholder may, with respect to the election of directors,

(i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the stockholder withholds authority to vote by so indicating in the appropriate space on the proxy card.

Proxies properly executed and received by the Corporation prior to the meeting and not revoked, will be voted as directed therein on all matters presented at the meeting. In the absence of specific direction from a common stockholder, proxies will be voted for the election of all named director nominees. If a proxy indicates that all or a portion of the shares represented by such proxy are not being voted with respect to a particular proposal, such non-voted shares will not be considered present and entitled to vote on such proposal, although such shares may be considered present and entitled to vote on other proposals and will count for the purpose of determining the presence of a quorum.

## **PROPOSAL 1**

## SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Securities Exchange Act of 1934 requires the Corporation's directors, executive officers and 10% stockholders to file reports of beneficial ownership of equity securities of the Corporation and to furnish copies of such reports to the Corporation. Based on a review of such reports, and upon written representations from certain reporting persons, the Corporation believes that, during the fiscal year ended December 31, 2002, all such filing requirements were met except that Taunus Corporation (an affiliate of DB Capital Partners, L.P., now MidOcean Partners, L.P.) failed to file timely three Form 4 reports that reported a total of 60 transactions. Taunus Corporation made an appropriate payment to the Corporation in respect of those transactions as required under Section 16(a).

## BENEFICIAL OWNERSHIP OF COMMON STOCK

The following table sets forth certain information regarding the ownership of our common stock as of March 24, 2003, by each person known by us to be the beneficial owner of more than five percent (5%) of the outstanding shares of our common stock, each of our directors, and all executive officers and directors as a group. The information presented in the table is based upon the most recent filings with the Securities and Exchange Commission by those persons or upon information otherwise provided by those persons to us. The percentages reflected in the table for each beneficial owner are calculated based on the number of shares of common stock outstanding on the record date plus those common stock equivalents and exercisable options held by the applicable beneficial owner. PERCENTAGES IN THE TABLE BELOW ADD UP TO MORE THAN 100% BECAUSE CERTAIN OF THE SHAREHOLDERS REPRESENT DUPLICATE ENTRIES WHEN MORE THAN ONE INDIVIDUAL OR ENTITY MUST REPORT BENEFICIAL OWNERSHIP AS TO THE SAME SHARES, SEE FOOTNOTES (A) AND (D) BELOW.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors has prepared the following report on the Committee's policies with respect to the compensation of Executive Officers for 2002. The Corporation's Executive Officer compensation is determined by the Compensation Committee, subject to the approval of the Board. The Compensation Committee meets from time to time during the year as may be required to address compensation and option issues associated with new Officer hires and Director appointments, as well as, if applicable, making option grants as long-term compensation and making other determinations or recommendations with respect to employee benefit plans and related matters. The Committee also meets specifically at the first quarter Board meeting (when audited year-end financials are available) to award bonuses with respect to the just completed fiscal year, and determine Executive Officer salaries with respect to the next fiscal year.

**COMPENSATION PRINCIPLES**

1. The Compensation Committee believes that compensation of the Corporation's key executives should be sufficient to attract and retain highly qualified and productive personnel, as well as to enhance productivity and encourage and reward superior performance.
2. It is the policy of the Corporation that the three primary components of the Corporation's total compensation package (base salary, cash bonuses and grants of stock options) will be considered in the aggregate in determining the amount of any one component.

3. The Committee believes the Corporation should make initial option grants to Executive Officers upon commencement of employment in order to more closely align their interests with stockholders.
4. The Committee seeks to reward achievement of specific long and short-term individual and corporate performance goals by authorizing annual cash bonuses.
5. The Compensation Committee's criteria for assessing executive performance in any year is based on the Corporation meeting consolidated financial targets set by the Board against an approved budget, and the Committee's exercise of its judgment regarding the performance of Executive Officers against other individual and corporate performance goals approved by the Committee.
6. The Committee's guiding principles are focused on encouraging Officers and Directors to think like owners. To this end, the Committee:
  - i. Generally requires Senior Officers to purchase outright in the market and hold during their term of employment a meaningful number of common shares;
  - ii. Generally requires commitment by Senior Officers to hold without exercise during their term of employment at least 75% of their granted stock options or, upon exercise, to hold at least 75% of the resulting common shares acquired upon exercise; and
  - iii. Encourages Board members to purchase common shares outright in the market and hold these during their term; and
  - iv. Requires that those Board members who receive option grants upon joining the Board will have the exercise price of those options set at a premium above the then current market price equal to the risk free rate of return.

During 2002, the Corporation's executive compensation included a base salary, cash bonus and long-term compensation in the form of stock options awarded under the Corporation's Employee Stock Option Plan. As described above, the cash bonus compensation of executives is designed to compensate executives for the Compensation Committee's assessment of superior performance against consolidated financial targets set by the Board and meritorious and diligent individual efforts. The long-term stock option grants made by the Compensation Committee are intended to align the interests of Executives and the Corporation's Stockholders and thereby to motivate Executives as equity owners to contribute at superior levels in the future and to allow them to share in increased value developed for the Corporation's Stockholders generally.

The Corporation's Chairman and Chief Executive Officer, has an existing employment agreement with the Corporation which has a term of approximately three years (ending December 31, 2004 unless extended). Mr. Silberman's employment agreement provides for a base salary of \$350,000 per annum (subject to annual increases for at least cost of living adjustments). Mr. Silberman is also eligible to receive a target award of at least 75% of base salary, in the form of a bonus for each of the fiscal years during which he is employed, upon meeting certain individual, corporate and financial goals annually approved by the Board. In the event of termination without cause, the employment contract also provides for the payment of three years base salary and, if such termination is in connection with a change of control, an amount equal to three times the latest annual bonus award made to him under the agreement prior to the event of termination without cause.

At its February 12, 2003 meeting, the Compensation Committee recommended that the Board award Mr. Silberman a cash bonus of \$300,000 in order to reflect Mr. Silberman's superior performance and significant accomplishments during the year based on the Corporation meeting specified consolidated financial targets approved by the Board against budget and viewed in the context of his own individual goals and the Corporation's overall performance. In addition, at the Compensation Committee's February 12, 2003 meeting, the Compensation Committee authorized salary increases and cash bonuses to other executives based on the Corporation meeting specified consolidated financial targets approved by the Board against budget and commensurate with the Compensation Committee's subjective assessment of their relative individual performance and in the context of the Corporation's overall performance.

In reviewing Mr. Silberman's compensation, the Compensation Committee first noted the Corporation had met various annual consolidated financial targets approved by the Board against budget and also subjectively considered Mr. Silberman's significant contribution to the management of the Corporation during the year, including: successfully implementing a variety of new business development, corporate sponsorship and Online business development activities as well as managing the Corporation's successful expansion into North Carolina (three campuses) and obtaining regulatory approval to commence operations in Tennessee (two campuses) and South Carolina (three campuses) and managing the secondary common stock offering of the Corporation which closed in November. In the Committee's view, Mr. Silberman contributed very significantly to the Corporation meeting the Board's annual consolidated financial goals and these various other achievements and accordingly, the Compensation Committee believes his overall compensation was wholly justified.

**OTHER COMPENSATION PLANS**

The Corporation maintains a retirement plan (the "401(k) Plan") intended to qualify under Sections 401(a) and 401(k) of the Internal Revenue Code of 1986, as amended. The 401(k) Plan is a defined contribution plan that covers all full-time employees of the Corporation of at least 21 years of age. Employees may contribute up to 10% of their annual wages (subject to an annual limit prescribed by the Internal Revenue Code) as pretax, salary deferral contributions. The Corporation, in its discretion, matches employee contributions up to a current maximum authorized amount under the plan of 2% of annual wages. The Corporation also maintains an Employee Stock Purchase Plan (the "Employee Purchase Plan"). The purpose of the Employee Purchase Plan is to enable eligible full-time employees of the Corporation, through payroll deductions, to purchase shares of our Common Stock at a 10% discount from the prevailing market price from time to time.

**AUDIT COMMITTEE REPORT**

The Audit Committee of the Strayer Education, Inc. Board of Directors is composed of three independent directors and operates under a written charter adopted by the Board of Directors and approved by shareholders at the May 21, 2001 annual meeting. The Audit Committee is currently composed of Messrs. Gensler (Chair), Grusky and Waite. In February 2003, Mr. Gensler was elected Chair upon Mr. Grusky's recommendation. Mr. Grusky stepped down as Chair because new SEC rules defining Audit Committee member "independence" would, when they became effective, likely preclude Mr. Grusky from serving on the Committee because of his affiliation with New Mountain Partners, L.P. (a greater than 10% shareholder of the Corporation). Under the Audit Committee Charter (a copy of which is available from the Corporation's Secretary) and the Committee's current policies, the Committee performs a variety of tasks, including being directly responsible for the appointment, compensation and oversight of the Corporation's independent accountants, reviewing the Corporation's accounting policies and reviewing the Corporation's unaudited quarterly earnings releases and periodic filings with the Securities and Exchange Commission that include financial statements, and reporting to the Board of Directors.

The management of the Corporation is responsible for the Corporation's internal controls and financial reporting process and to maintain the Corporation's compliance with applicable accounting standards. PricewaterhouseCoopers LLP, the Corporation's independent accountants, are responsible for performing an independent audit of the Corporation's financial statements in accordance with generally accepted auditing standards and to provide a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In connection with this responsibility, during 2002 the Committee met and held discussions with management and the independent accountants four times. Management represented to the Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee reviewed and discussed the consolidated financial statements with management and, independently with PricewaterhouseCoopers. The Committee also discussed with PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Committee has received from PricewaterhouseCoopers the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with PricewaterhouseCoopers its independence.

Based upon the review and discussions referred to above, the Committee, consisting of the members for fiscal year ended December 31, 2002, recommended to the Board of Directors that PricewaterhouseCoopers be retained as auditors for fiscal year 2003 and that the audited financial statements for the year 2002 be included in the Corporation's annual report on Form 10-K for the year ended December 31, 2002, filed with the Securities and Exchange Commission. In its report to the Board on the 2002 financial statements, the Audit Committee noted that (i) the Corporation's accounting policies were described as conservative by management and independently by the independent auditors; (ii) the Corporation had no off balance sheet entities or unusual related party transactions; and (iii) there were no disagreements regarding any year-end adjustments between management and the independent auditors.

#### **EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL ARRANGEMENTS**

In April 2001, the Corporation entered into an employment agreement with Mr. Silberman. The employment agreement provides for an initial three-year term, expiring on December 31, 2004, but is automatically extended for an additional year commencing on January 1, 2002 and each January 1 thereafter, unless the Corporation or Mr. Silberman has given written notice by September 30 of the immediately preceding year that it or Mr. Silberman, as the case may be, does not wish to extend the term of the agreement. For his services, Mr. Silberman is entitled to receive an annual salary of at least \$350,000 plus a performance bonus based on his overall performance.

In the event that Mr. Silberman is terminated by the Corporation without cause, he is entitled to receive a lump-sum payment of any earned but unpaid salary, bonus and benefits, plus an amount equal to three times his base salary and, in the event of a termination upon a change in control of the Corporation, three times his latest bonus actually paid. The agreement also contains covenants restricting Mr. Silberman from competing with the Company for three years after his termination of employment and requires Mr. Silberman to keep confidential the Corporation's proprietary information.

#### **CERTAIN TRANSACTIONS WITH FORMER MANAGEMENT**

**Purchase and Lease of Certain Campus Facilities.** As of December 31, 2002 the Corporation had long-term operating leases for twenty-two of its various campus and other administrative locations. The rents on these leases are all at market rates. Of these twenty-two locations, four of the campuses, including the Washington, D.C. campus and three of the Virginia campuses, were in portions of 2002 leased from corporations which were wholly-owned by Mr. Bailey, the Corporation's former President and Chief Executive Officer and former majority stockholder. Rent paid to Mr. Bailey under these operating leases (involving a total of 92,100 square feet) for the year ended December 31, 2002 totaled \$502,000. In

February 2002, the Corporation acquired for cash the Washington D.C., Manassas, Virginia and Woodbridge, Virginia campuses from investment partnerships and trusts in which Mr. Bailey and his family held interests for an aggregate payment of \$12 million. These three campuses had 74,600 combined total square feet and a 2001 aggregate annual rent of \$1,626,000. The Company believes this transaction was on terms at least as favorable to the Corporation as terms reached on an arm's length transaction. The Corporation currently believes that the one remaining campus lease with Mr. Bailey which expires in 2006 is on terms at least as favorable to the Corporation as terms reached in an arm's length transaction.

## **PROPOSAL 2**

### **RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS**

The Audit Committee and the Board of Directors have appointed the accounting firm of PricewaterhouseCoopers LLP to serve as the Corporation's independent public accountants for the fiscal year ending December 31, 2003. PricewaterhouseCoopers has acted as the Corporation's independent public accountants for the fiscal year ended December 31, 2002. Representatives of PricewaterhouseCoopers are expected to be present at the stockholders' meeting and will have an opportunity to make a statement if they desire and to respond to appropriate questions. The ratification of the appointment of PricewaterhouseCoopers requires the approval of a majority of the votes cast at the Annual Meeting.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE CORPORATION'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2003.**

**Audit and Related Fees.** PricewaterhouseCoopers billed the Corporation \$129,000 for professional services rendered for the audit of our annual financial statements for the year 2002 and the review procedures of the financial statements included in our Forms 10-Q for the year 2002. PricewaterhouseCoopers also billed the Corporation \$73,000 related to providing comfort letters for the November 2002 secondary offering of 2.3 million shares of Common Stock.

**Financial Information Systems Design and Implementation Fees.** PricewaterhouseCoopers did not perform any financial information systems design or implementation services for the Corporation during the year 2002.

**All Other Fees.** PricewaterhouseCoopers billed the Corporation \$52,000 in connection with preparing the Corporation's tax returns and related tax services.

The Audit Committee has considered whether the provision of non-audit corporate tax return preparation services to the Corporation is compatible with maintaining the principal accountant's independence. The Audit Committee has established a policy that PricewaterhouseCoopers may not provide any personal tax services to the Corporation's senior officers.

### **STOCKHOLDER PROPOSALS**

All stockholder proposals intended to be presented at the 2004 Annual Meeting of Stockholders must be received by the Corporation no later than December 3, 2003 and must otherwise comply with rules of the SEC for inclusion in the Corporation's proxy statement and form of proxy relating to the meeting.

SEC rules also establish a different deadline for submission of stockholder proposals that are not intended to be included in the Corporation's proxy statement with respect to discretionary voting. The discretionary voting deadline for the Corporation's 2004 Annual Meeting is February 16, 2004. If a stockholder gives notice of such a proposal after the discretionary voting deadline, the Corporation's proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the Corporation's 2004 Annual Meeting of Stockholders.
