This Proxy Statement is being furnished to the holders of Class A Stock, par value \$1.00 per share (the "Class A Stock"), of Ampal-American Israel Corporation (the "Company" or "Ampal") in connection with the solicitation of proxies by the Board of Directors (the "Board" or "Board of Directors") for use at the annual meeting of the shareholders of the Company to be held on November 5, 2008, and at any adjournment(s) or postponement(s) thereof (the "Annual Meeting"). The mailing address of our principal executive office is 10 Abba Even St., Ackerstein Tower C, 9th Floor, P.O.Box 12215, Herzliya, Israel 46733. This Proxy Statement and enclosed proxy card are first being mailed to the shareholders of the Company entitled to vote at the Annual Meeting on or about October 17, 2008. In an effort to present the information contained in this Proxy Statement in a clear manner, the Company has decided to use a question and answer format.

Q: What am I voting on?

The election of Ampal's nine directors for one-year terms and the ratification of the appointment of Kesselman & Kesselman, a member firm of PricewaterhouseCoopers International Limited ("Kesselman & Kesselman"), as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2008.

Q: Who is entitled to vote?

Holders of the Class A Stock as of the close of business on October 6, 2008 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had 58,086,165 shares of Class A Stock outstanding (excluding treasury shares). Each shareholder is entitled to one vote for each share of Class A Stock held on the Record Date. The Class A Stock does not have cumulative voting rights.

Q: How can I get a copy of Ampal's annual report on Form 10-K?

Upon request, the Company will provide, without charge to any shareholder entitled to vote at the Annual Meeting, a copy of Ampal's annual report on Form 10-K to the Securities and Exchange Commission (the "SEC") for the fiscal year ended December 31, 2007. Such request should be made to the Secretary of the Company at the address shown on the accompanying Notice of Annual Meeting of Shareholders. The Company's annual report on Form 10-K, as well as its other filings with the SEC, are available via the Internet at the Company's website at <http://www.ampal.com> and at the SEC's website at <http://www.sec.gov>.

Q: How can I review Ampal's financial statements for the fiscal year ended December 31, 2007?

A copy of Ampal's 2007 annual report on Form 10-K containing the Company's audited financial statements for the fiscal year ended December 31, 2007 has been mailed with this Proxy Statement to all holders of Class A Stock entitled to vote at the Annual Meeting on or about October 17, 2008.

Q: Who are the principal shareholders of Ampal and how will they vote?

As of the Record Date, a group of shareholders (the “Controlling Shareholder Group”) consisting of Yosef A. Maiman, Ohad Maiman, Noa Maiman, and Yoav Maiman, and the companies Merhav (M.N.F.) Ltd. (“Merhav”), De Majorca Holdings Ltd. (“De Majorca”) and Di-Rapallo Holdings Ltd. (“Di-Rapallo”) beneficially owns approximately 59.7% of the voting power of our Class A Stock. The Controlling Shareholder Group was formed in recognition of the Maiman family’s strong connection with the Company and in furtherance of the group’s common goals and objectives as shareholders, including the orderly management and operation of the Company. By virtue of its ownership of Ampal, the Controlling Shareholder Group is able to control our affairs and to influence the election of the members of our board of directors. (See the sections below entitled “Security Ownership of Certain Beneficial Owners” and “Security Ownership of Management” for more details regarding the principal shareholders.) The Controlling Shareholder Group has advised the Company that it will vote in favor of the Board’s slate of nominees for directors and in favor of the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2008.

Q: Who is bearing the cost of preparing this Proxy Statement?

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and the proxy card is being borne by the Company. The Company will also reimburse brokers who are holders of record of shares of the Company for their expenses in forwarding proxies and proxy soliciting material to the beneficial owners of the shares held by them.

Q. Besides shareholders, who else will attend the Annual Meeting?

Some of the directors of Ampal, senior management of Ampal and representatives of Mellon Investor Services, the Company’s transfer agent, will be present at the Annual Meeting. Additionally, representatives of Kesselman & Kesselman, whom the Audit Committee has appointed to be its independent registered public accounting firm for the fiscal year ending December 31, 2008, are expected to be present and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Q: What constitutes a quorum?

The holders of record of one-third of the outstanding Class A Stock entitled to vote at any meeting of shareholders shall constitute a quorum for the Annual Meeting. A quorum of shares of Class A Stock outstanding (excluding treasury shares) as of the Record Date therefore equals 19,362,055 shares of Class A Stock. All votes will be tabulated by the inspector of elections appointed for the meeting. The inspector of elections will also determine whether or not a quorum is present. Votes for and against, abstentions and “broker non-votes” will each be counted as present for purposes of determining the presence of a quorum.

Q: How do I vote using the proxy?

Sign your name exactly as it appears in the proxy, and return it in the enclosed prepaid envelope. **IF YOU SIGN YOUR PROXY BUT DO NOT INDICATE YOUR VOTING PREFERENCES, YOUR VOTE WILL BE COUNTED FOR ALL OF THE BOARD’S NOMINEES FOR DIRECTORS AND THE RATIFICATION OF THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. THE PROXIES, IN THEIR DISCRETION, ARE AUTHORIZED TO VOTE UPON ANY OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENT(S) OR POSTPONEMENT(S) THEREOF.**

Q: May I revoke my proxy?

A proxy may be revoked at any time before it is exercised at the Annual Meeting by notifying the Company's Secretary in writing or by returning a later-dated proxy. You may also revoke your proxy by voting in person at the meeting (although your attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

Q: How many votes are needed for the election of a director?

The election of a nominee director requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees listed in the Proxy Statement. The Board of Directors of Ampal unanimously recommends the election of the following persons to the Board of Directors: Yosef A. Maiman, Leo Malamud, Dr. Joseph Yerushalmi, Dr. Nimrod Novik, Yehuda Karni, Eitan Haber, Menahem Morag, Erez Meltzer and Yossi Geva. Set forth below in this Proxy Statement is information about each nominee, including biographical data for at least the last five years.

Q: How many votes are needed for the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2008?

The ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2008 requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. The Board of Directors of Ampal unanimously recommends the ratification of the appointment of Kesselman & Kesselman as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008.

Q: How will abstentions and broker non-votes be treated with respect to the proposals to be voted upon at the Annual Meeting?

Abstentions and broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which the broker or nominee is not empowered to vote on a particular matter) will have no effect on the outcome of these proposals.

Q: Will any other matters be brought before the Annual Meeting?

Management does not presently know of any other matters which will be brought before the Annual Meeting. If, however, other matters requiring the vote of the shareholders, not now known or contemplated, do properly come before the meeting or any adjournment or postponement thereof, it is the intention of the persons named in the proxy to vote the proxies held by them in accordance with their judgment in such matters.

The cost of the policies, which expire January 29, 2009, was \$530,000.

Q: Does the Board of Directors have any committees?

Yes. The Board of Directors has the following standing committees: Audit Committee, Executive Committee and Stock Option and Compensation Committee. The Board will elect new members to the committees following the Annual Meeting. The current members, activities and functions of the various committees are set forth below.

Director Independence

Because the Controlling Shareholder Group owns more than 50% of the voting power of the Company, the Company is deemed to be a “controlled company” under the rules of the NASDAQ Global Market. As a result, the Company is exempt from the NASDAQ Global Market rules that require listed companies to have (i) a majority of independent directors on the Board, (ii) a compensation committee and nominating committee composed solely of independent directors, (iii) the compensation of executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors and (iv) a majority of the independent directors or a nominating committee composed solely of independent directors elect or recommend director nominees for selection by the Board. The Company has an Audit Committee of the Board consisting of three independent directors as defined under the rules of the National Association of Securities Dealers, Inc. and the rules promulgated by the Securities and Exchange Commission. Other than the members of the Audit Committee, there are no other independent directors that serve on the Board.

Code of Business Conduct and Ethics

The Company has adopted a (i) Code of Ethics for the Company’s Senior Financial Officers and (ii) Code of Conduct applicable to all of the Company’s employees and directors. These codes are designed to both insure that the Company’s business is conducted in a consistently legal and ethical manner, and address specific areas of professional conduct, including conflicts of interest, fair dealing and the strict adherence to all laws and regulations applicable to the conduct of the Company’s business. Copies of the Company’s Code of Ethics for Senior Financial Officers and Code of Conduct are available on the Company’s website at www.ampal.com.

Communications Between Shareholders and the Board of Directors

Shareholders and other interested persons seeking to communicate with the Board should submit any communications in writing to the Company's Secretary at the following address: Ampal-American Israel Corporation, 10 Abba Even Street, P.O.Box 12215 Herzliya, Israel 46733. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The Company's Secretary will forward such communication to the Board or to any individual director or directors to whom the communication is directed.

Policy Governing Director Nominations

As stated above, because the Controlling Shareholder Group owns more than 50% of the voting power in the Company, the Company is deemed to be a "controlled company" under the NASDAQ Global Market rules. Because the Company is a "controlled company," the Board has decided not to establish a separate nominating committee or implement formal rules that would govern director nominations from shareholders, and each member of the Board participates in the consideration of director nominees. In the event of any vacancy on the Board, or in the event that the Board is to be expanded, the Board will determine at such time the appropriate procedures for filling the vacancy or additional position. The Board may decide at such time to authorize a committee of the Board of Directors to conduct the search for a director and to recommend nominations to the full Board of Directors.

Minimum Qualifications. The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and stock exchange requirements, including, but not limited to, the independence requirements of the NASDAQ Global Market and the SEC, as applicable. Nominees for director will be selected on the basis of outstanding achievement in such person's career; board experience; wisdom; integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to the Board duties. While the selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, the Board believes that each director should have a basic understanding of (i) principal operational and financial objectives as well as plans and strategies of the Company, (ii) results of operations and financial condition of the Company and of any significant subsidiaries and investee companies, and (iii) the relative standing of the Company, its business segments and investee companies in relation to its competitors.

The Board also may consider (i) whether a candidate would be deemed to be "independent" under the applicable laws, rules and regulations of the NASDAQ Global Market and the SEC, as applicable, (ii) whether the candidate's existing business commitments would interfere with the candidate's ability to devote sufficient time to discharge his or her duties as a director and (ii) the input of the Controlling Shareholder Group.

Q: How are the Company's executives compensated?

Objectives of Compensation Program

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive and principal financial officers of the Company, and the other three most highly compensated executive officers of the Company. These individuals are referred to as the "Named Executive Officers" in this Report on Form 10-K.

The objectives of our compensation program are (i) to attract and retain qualified personnel in the Israeli marketplace, (ii) to provide incentives and rewards for their contributions to the Company, and (iii) to align their interests with the long-term interests of the Company's shareholders.

Our Named Executive Officers compensation has three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

We determine the appropriate level for each compensation component based in part, but not exclusively, on competitive benchmarking consistent with a broad spectrum of companies in Israel and in the United States.

Due to the small size of our executive team and the need to tailor each Named Executive Officer's compensation package for retention and recruitment purposes, we have not adopted any formal policies or guidelines for allocating compensation between long term and currently payable compensation, between cash and non cash compensation or among different forms of compensation.

Responsibilities

Prior to September 19, 2006, the Stock Option and Compensation Committee of the Board (the "Compensation Committee") was responsible for determining all facets of executive compensation including annual base salary and bonuses for executive officers, administration of the Company's 1998 Long Term Incentive Plan and the Company's 2000 Incentive Plan (collectively, the "Option Plans"), and director compensation. The Compensation Committee is composed of independent directors as defined under the rules of NASDAQ and the SEC. The Compensation Committee does not operate pursuant to a written charter.

On September 19, 2006, the members of the Board engaged in discussions regarding the appropriate scope of the responsibilities of the Compensation Committee in light of the Company's "controlled company" status under the rules of NASDAQ and the fact that Mr. Yosef A. Maiman was appointed as the Chief Executive Officer of Ampal. During these discussions, the Board decided to re-allocate certain of the responsibilities with regard to executive compensation to Yosef A. Maiman, the Chairman, President and Chief Executive Officer.

Effective as of September 19, 2006, the Board determined that the Compensation Committee will continue to be responsible for (i) administering the Option Plans and determining the officers and key employees who are to be granted options under the Option Plans and the number of shares subject to such options and (ii) determining the annual base salary and non-equity based annual bonus for Mr. Maiman in his capacity as Chairman, President and Chief Executive Officer.

Effective as of September 19, 2006, the Board also determined that Mr. Maiman will be responsible for (i) determining the annual base salary and non-equity based annual bonuses for all executive officers (other than the Chief Executive Officer) and for (ii) recommending to the Board director compensation and benefit programs. Mr. Maiman also may attend and participate in meetings of the Compensation Committee.

No outside compensation consultant is engaged by the Company at this time, although the Company may elect to do so in the future.

Elements of Compensation

The material elements of the Company's executive compensation program for Named Executive Officers includes three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

Base Salary

We set our salaries for our Named Executive Officers generally based on what we believe enables us to hire and retain individuals in the competitive environment in Israel and rewards individual performance and the contribution to our overall business goals. We also take into account the base salaries paid by similarly situated companies in Israel and in the United States with which we believe we generally compete for talent. There are no formal guidelines or formulas used by us to determine annual base salary for our Named Executive Officers, as annual salary determinations are made on a case by case basis from year to year to react to compensation market trends in Israel and to take into account the Named Executive Officer's performance. Additionally, stock price performance has not been a factor in determining annual compensation because the price of the Company's common stock is subject to a variety of factors outside our control. Our approach to annual base salary is designed to retain our Named Executive Officers so that they will continue to operate at high levels in the best interests of the Company.

Determinations for annual base salary for the fiscal year ended December 31, 2007, were made by the Compensation Committee in consultation with Mr. Maiman and other executive officers.

Annual Cash Incentive Bonus Compensation

The non-equity based annual bonus compensation is based on each Named Executive Officer's individual performance for the Company over the fiscal year, which is measured in terms of overall effort, performance and contribution to the Company. In the past, bonuses were based on a multiple of the Named Executive Officer's base salary, but in the interest of flexibility, we no longer exclusively utilize this approach. In 2007, we considered the performance of our Named Executive Officers with respect to certain material transactions and the amount of funds raised during the year and allocated an amount among the Named Executive Officers who were involved in those special efforts. We take into account the amount of annual base salary paid to each Named Executive Officers in determining such Named Executive Officers' non-equity based annual bonus compensation. Determinations for non-equity based annual bonus compensation for the fiscal year ended December 31, 2007 were made by Mr. Maiman.

Long-Term Equity Incentive Compensation

At this time, we do not award long-term equity incentive compensation to our Named Executive Officers on an annual basis, however we may elect to award this form of compensation in the future. Following the April 2002 acquisition by Y.M. Noy Investments Ltd. of a controlling interest in the Company, we awarded long-term equity incentive compensation in April 2002 to provide the new management team with incentives aligned with shareholder interests and in December 2004, in recognition of the Named Executive Officers' assistance to a Special Committee of the Board of Directors that had been appointed to consider alternatives available to the Company to maximize shareholder value. In December 2006, the Stock Option Committee granted Mr. Maiman an option to acquire 250,000 shares of our Class A Stock for his service as Chairman of the Board. The amount of this award was consistent with the amount of the option grant previously awarded to Mr. Maiman in August 2002, which became fully vested in August 2006.

While our current policy is to award option grants to our executive officers and directors, the awards granted under the Option Plans may be in the form of options, restricted stock, dividend equivalent awards and/or stock appreciation rights. There are no formal guidelines or formulas used by us to determine equity compensation awards for our Named Executive Officers.

As stated above, the Compensation Committee is responsible for determining long-term equity incentive compensation in accordance with the Option Plans. Such determinations are made in consultation with Mr. Maiman and other executive officers from time to time.

Perquisites

As is customary in Israel, we provide each Named Executive Officer with the use of a car, mobile phone, one meal per day, telephone expenses, economic newspapers, and stipends for traveling out of the country from time to time. The value of the specific car an employee receives varies according to his or her pay grade within the Company.

Additionally, consistent with practice in the Israeli marketplace, the Company reimburses the Named Executive Officers for a portion of the taxes associated with the use of the car and mobile phone.

Severance and Change of Control Benefits

Israeli labor laws and agreements require payment of severance pay upon dismissal of an employee or upon termination of employment in certain other circumstances, including retirement. The Company's severance pay is calculated based upon length of service and the latest monthly base salary (one month's salary for each year worked). Severance pay is paid from a fund into which the Company contributes up to 8 1/3% of the employee's base salary each month, in accordance with Israeli law and the customary practice in Israel. The Company's liability for severance pay pursuant to Israeli law is partly offset by insurance policies, where the Named Executive Officers are the beneficiaries of such insurance policies.

In addition to the above the Named Executive Officers are eligible to participate in a Pension Plan in which both the employee and the Company contribute up to 5% of the employee's base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement.

In addition to the above benefits, each of the employment agreements of certain executive officers provide that such executive officer shall receive an additional payment of six months' salary (together with all related benefits for the six month period including social benefits, use of a vehicle, mobile telephone and any other rights accompanying the executive officer's employment by the Company) in the event (i) of a change of control of Ampal and (ii) such executive officer's employment is terminated within six months from the date of the change of control of Ampal. These arrangements were designed to provide these key employees with an additional benefit consistent with Israeli practice for employees in comparable positions.

Pursuant to the terms of the employment agreements of each of the certain executive officers, following the termination of employment, such executive officers shall not be involved, directly or indirectly, with any business or entity that is in the field of the Company's activities and/or is in direct competition in the field of the Company's activities for a period of six months following the termination of employment. Furthermore, during the term of employment at the Company and for a period of twenty four months following the termination of employment, each of these executive officers shall abstain from providing services in any manner whatsoever, including consulting services, either paid or not paid, to any business or occupation in which the Company was involved.

Education Fund

The Named Executive Officers are eligible to participate in an education fund in which both the employee and the Company contribute up to 2.5% and 7.5% respectively of the employee's base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement. The education fund contribution, which is customary in Israel, can be used by the Named Executive Officers at any time for professional education and every 6 years for any other purpose. As is customary in Israel, the Company also reimburses the Named Executive Officers for taxes associated with Company contributions to this fund beyond the maximum contributed amount allowed according to the Israel Tax law.

Vacation Provision and Recreation Pay

The Named Executive Officers are eligible to take one month vacation per year. Additionally, pursuant to Israeli employment laws, each Named Executive Officer is entitled to a certain amount of recreation pay to be used for any other purpose. Each Named Executive Officer is entitled to receive 13 days of recreation pay, which amounts to approximately \$1,690 on an annual basis.

Stock Ownership and Retention Guidelines

The Company does not have any stock ownership or retention guidelines or policies.

The 2000 Plan was approved by the Board of Directors at a meeting held on March 27, 2000 and was approved by a majority of the Company’s shareholders at the June 29, 2000 annual meeting of shareholders. The 2000 Plan remains in effect for a period of ten years. As of December 31, 2007, 2,434,500 options of the 2000 Plan are outstanding.

The options granted under the 1998 Plan and the 2000 Plan (collectively, the “Plans”) may be either incentive stock options, at an exercise price to be determined by the Compensation Committee but not less than 100% of the fair market value of the underlying options on the date of grant, or non-incentive stock options, at an exercise price to be determined by the Compensation Committee. The Compensation Committee may also grant, at its discretion, “restricted stock,” “dividend equivalent awards,” which entitle the recipient to receive dividends in the form of Class A Stock, cash or a combination of both and “stock appreciation rights,” which permit the recipient to receive an amount in the form of Class A Stock, cash or a combination of both, equal to the number of shares of Class A Stock with respect to which the rights are exercised multiplied by the excess of the fair market value of the Class A Stock on the exercise date over the exercise price. The options granted under the Plans were granted either at market value or above.

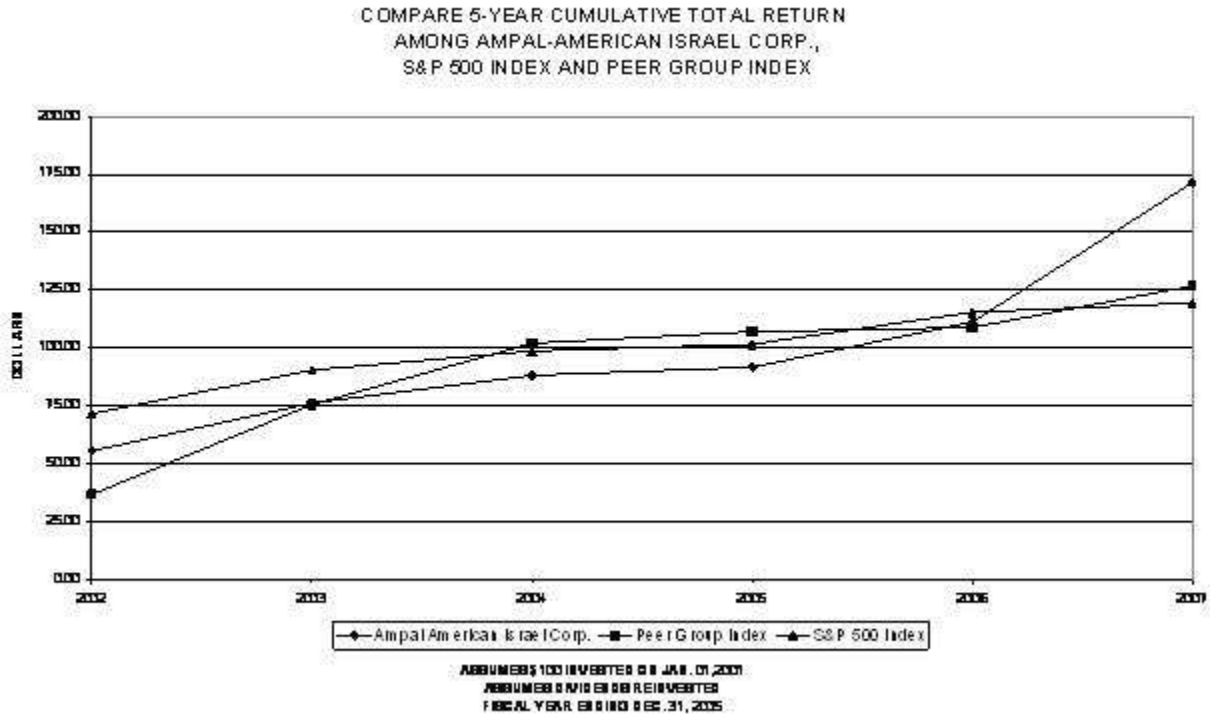

Under each of the Plans, all granted but unvested options become immediately exercisable upon the occurrence of a change in control of the Company. Prior to January 1, 2006, the Company accounted for all plans under APB Opinion No. 25, under which no compensation costs were incurred in the years ended December 31, 2004 and 2005. If compensation cost for the options under the above Plans had been determined in accordance with SFAS No. 123, the Company’s net income (loss) would have been (\$6.8 million) and (\$19.0 million) for the years 2005 and 2004, respectively.

Effective January 1, 2006, the Company adopted SFAS No. 123R SFAS No. 123R, which revises SFAS No. 123, and supersedes Accounting Principles Board (“APB”) Opinion No. 25, SFAS No. 123R requires the cost of all share-based payments to employees, including grants of employee stock options, to be recognized in the financial statements based on their fair values at grant date, over the requisite service period. For the year ended December 31, 2007 the Company recorded \$782,000 as compensation expenses.

Q: Have the Company's officers, directors and shareholders filed all appropriate beneficial ownership reports with the SEC?

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Ampal's executive officers and directors, and persons who own more than 10% of a registered class of Ampal's equity securities, to file with the Securities and Exchange Commission initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 and 5), of Class A Stock of Ampal. To the Company's knowledge, based solely on its review of the copies of such forms received by it, all filing requirements applicable to its executive officers, directors and greater than 10-percent stockholders were complied with.

Q: Does the Company enter into transactions with affiliated parties?

On December 25, 2007, Ampal entered into an Option Agreement (the "Option Agreement") with Merhav providing Ampal with the option to acquire up to a 35% equity interest in a sugarcane ethanol production project (the "Project") in Colombia being developed by Merhav. The option expires on the earlier of December 25, 2008 or the date on which both (i) Merhav has obtained third-party debt financing for the Project and (ii) an unaffiliated third party holds at least a 25% equity interest in the Project. The Option Agreement provides that the purchase price for any interest in the Project purchased by Ampal pursuant to the Option Agreement will be (A) with respect to any portion of such interest being purchased by conversion of the outstanding balance of the Promissory Note referred to below, the lesser of (i) a price based on a currently agreed valuation model as updated from time to time to reflect changes in project, financing and other similar costs (the "Valuation Model") as such updates are reviewed by Houlihan Lokey Howard & Zukin Financial Advisors, Inc. at the time of the option's exercise or (ii) the lowest price paid by any unaffiliated third party for an interest in the Project, or (B) with respect to any portion of such interest in the Project being purchased in excess of the balance of the Promissory Note, the lowest price paid by an unaffiliated third party for its interest in the Project, unless no unaffiliated third party has purchased an interest in the Project, in which case the purchase price will be based on the Valuation Model.

Ampal has loaned Merhav \$20 million to fund the purchase of the 11,000 hectares of property in Colombia required for growing sugarcane and the construction of an ethanol production facility for the Project, pursuant to a Promissory Note, dated as of December 25, 2007, by Merhav in favor of Ampal (the "Promissory Note"). The loan bears interest at an annual rate equal to LIBOR plus 2.25%, and will be convertible into all or a portion of the equity interest purchased pursuant to the option.

As security for the loan, Merhav has pledged to Ampal, pursuant to a pledge agreement, dated December 25, 2007, between Merhav and Ampal, all of the shares of Ampal's Class A Stock, par value \$1.00 per share, owned by Merhav.

Yosef A. Maiman, the Chairman, President and CEO of Ampal and a member of the controlling shareholders group of Ampal, is the sole owner of Merhav. Because of the foregoing relationship, a special committee of the Board of Directors composed of Ampal's independent directors negotiated and approved the transaction. Houlihan Lokey Howard & Zukin Financial Advisors, Inc., which has been retained as financial advisor to the special committee, advised the special committee on this transaction.

On November 29, 2007, Ampal and Israel Infrastructure Fund ("IIF"), leading a group of institutional investors (the "Investors"), purchased a 4.3% interest in EMG, through Merhav Ampal Energy Holdings, LP, an Israeli limited partnership (the "Joint Venture"), from Merhav for a purchase price of approximately \$95.4 million, using funds provided by the Investors. In addition to the Joint Venture's purchase from Merhav, Ampal contributed into the Joint Venture an additional 4.3% interest in EMG already held by Ampal. The Joint Venture now holds a total of 8.6% of the outstanding shares of EMG. Ampal's contribution was valued at the same price per EMG share as the Joint Venture's purchase. This amount is equivalent to the purchase price (on a per share basis) paid by Ampal for its December 2006 purchase of EMG shares from Merhav, which was accounted for as a transfer of assets between entities under common control, which resulted in Merhav transferring the investment in EMG to Ampal at carrying value. Due to the nature of Merhav's operations, Merhav would be treated as an investment company under US GAAP, and as such, the carrying value of the investment in EMG would equal fair value. On this basis, the said investment in EMG was transferred to Ampal at carrying value, which also equals fair value.

The Company's Financial Statements reflect a 16.8% interest in shares of EMG, with 8.2% held directly and 8.6% held through the Joint Venture (of which Ampal owns 50%).

On September 20, 2007, Merhav exercised its option to convert the outstanding balance of \$20.8 million (which includes accrued interest of \$0.8 million) on the convertible promissory note issued to it as partial consideration for the purchase of a 5.9% interest in EMG by Ampal in December 2006, into 4,476,389 shares of Class A Stock of Ampal. The issuance of the 4,476,389 shares underlying the Convertible Promissory Note received the approval of the shareholders of the Company on February 7, 2007, as required by the marketplace rules of the NASDAQ Global Market.

Yosef A. Maiman, the Chairman, President and CEO of the Company and a member of the controlling shareholder group of the Company, is the sole owner of Merhav.

Review and Approval of Transactions with Management and Others

Pursuant to its written charter and the marketplace rules of the NASDAQ Global Market, the Audit Committee, acting as a special committee, must review with management and approve all transactions or courses of dealing with parties related to the Company. In determining whether to approve a related person transaction, the Audit Committee will consider a number of factors including whether the related person transaction is on terms and conditions no less favorable to us than may reasonably be expected in arm's-length transactions with unrelated parties. The Audit Committee has the authority to engage independent legal, financial and other advisors. The Audit Committee has reviewed and approved the terms of each of the transactions described above.
