Q: What am I voting on?

The election of Ampal's ten directors for one-year terms and the ratification of the appointment of Kesselman & Kesselman, a member firm of PricewaterhouseCoopers International Limited ("Kesselman & Kesselman"), as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2009.

Q: Who is entitled to vote?

Holders of the Class A Stock as of the close of business on October 6, 2009 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had 56,133,764 shares of Class A Stock outstanding (excluding treasury shares). Each shareholder is entitled to one vote for each share of Class A Stock held on the Record Date. The Class A Stock does not have cumulative voting rights.

Q: How can I get a copy of Ampal's annual report on Form 10-K?

Upon request, the Company will provide, without charge to any shareholder entitled to vote at the Annual Meeting, a copy of Ampal's annual report on Form 10-K to the Securities and Exchange Commission (the "SEC") for the fiscal year ended December 31, 2008. Such request should be made to the Secretary of the Company at the address shown on the accompanying Notice of Annual Meeting of Shareholders. The Company's annual report on Form 10-K, as well as its other filings with the SEC, are available via the Internet at the Company's website at <http://www.ampal.com> and at the SEC's website at <http://www.sec.gov>. In connection with the Annual Meeting, the Company's annual report on Form 10-K is also available via the Internet at <http://bnymellon.mobular.net/bnymellon/ampl>.

Q: How can I review Ampal's financial statements for the fiscal year ended December 31, 2008?

A copy of Ampal's 2008 annual report on Form 10-K containing the Company's audited financial statements for the fiscal year ended December 31, 2008 has been mailed with this Proxy Statement to all holders of Class A Stock entitled to vote at the Annual Meeting on or about October 19, 2009. In connection with the Annual Meeting, the Company's annual report on Form 10-K is also available via the Internet at <http://bnymellon.mobular.net/bnymellon/ampl>.

Q: Who are the principal shareholders of Ampal and how will they vote?

As of the Record Date, a group of shareholders (the "Controlling Shareholder Group") consisting of Yosef A. Maiman, Ohad Maiman, Noa Maiman, and Yoav Maiman, and the companies Merhav (M.N.F.) Ltd. ("Merhav"), De Majorca Holdings Ltd. ("De Majorca") and Di-Rapallo Holdings Ltd. ("Di-Rapallo") beneficially owns approximately 61.8% of the voting power of our Class A Stock. The Controlling Shareholder Group was formed in recognition of the Maiman family's strong connection with the Company and in furtherance of the group's common goals and objectives as shareholders, including the orderly management and operation of the Company. By virtue of its ownership of Ampal, the Controlling Shareholder Group is able to control our affairs and to influence the election of the members of our board of directors. (See the sections below entitled "Security Ownership of Certain Beneficial Owners" and "Security Ownership of Management" for more details regarding the principal shareholders.) The Controlling Shareholder Group has advised the Company that it will vote in favor of the Board's slate of nominees for directors and in favor of the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2009.

Q: Who is bearing the cost of preparing this Proxy Statement?

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and the proxy card is being borne by the Company. The Company will also reimburse brokers who are holders of record of shares of the Company for their expenses in forwarding proxies and proxy soliciting material to the beneficial owners of the shares held by them.

Q: Besides shareholders, who else will attend the Annual Meeting?

Some of the directors of Ampal, senior management of Ampal and representatives of BNY Mellon Shareowner Services, the Company's transfer agent, will be present at the Annual Meeting. Additionally, representatives of Kesselman & Kesselman, whom the Audit Committee has appointed to be its independent registered public accounting firm for the fiscal year ending December 31, 2009, are expected to be present and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Q: What constitutes a quorum?

The holders of record of one-third of the outstanding Class A Stock entitled to vote at any meeting of shareholders shall constitute a quorum for the Annual Meeting. A quorum of shares of Class A Stock outstanding (excluding treasury shares) as of the Record Date therefore equals 18,711,255 shares of Class A Stock. All votes will be tabulated by the inspector of elections appointed for the meeting. The inspector of elections will also determine whether or not a quorum is present. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Q: How do I vote using the proxy?

Sign your name exactly as it appears in the proxy, and return it in the enclosed prepaid envelope. **IF YOU SIGN YOUR PROXY BUT DO NOT INDICATE YOUR VOTING PREFERENCES, YOUR VOTE WILL BE COUNTED FOR ALL OF THE BOARD'S NOMINEES FOR DIRECTORS AND THE RATIFICATION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. THE PROXIES, IN THEIR DISCRETION, ARE AUTHORIZED TO VOTE UPON ANY OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENT(S) OR POSTPONEMENT(S) THEREOF.**

Q: May I revoke my proxy?

A proxy may be revoked at any time before it is exercised at the Annual Meeting by notifying the Company's Secretary in writing or by returning a later-dated proxy. You may also revoke your proxy by voting in person at the meeting (although your attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

Q: How many votes are needed for the election of a director?

The election of a nominee director requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees listed in the Proxy Statement. The Board of Directors of Ampal unanimously recommends the election of the following persons to the Board of Directors: Yosef A. Maiman, Leo Malamud, Dr. Joseph Yerushalmi, Dr. Nimrod Novik, Yehuda Karni, Gideon Weinstein, Menahem Morag, Erez Meltzer, Daniel Vaknin and Joseph Geva. Set forth below in this Proxy Statement is information about each nominee, including biographical data for at least the last five years.

Q: How many votes are needed for the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2009?

The ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2009 requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. The Board of Directors of Ampal unanimously recommends the ratification of the appointment of Kesselman & Kesselman as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009.

Q: How will abstentions and broker non-votes be treated with respect to the proposals to be voted upon at the Annual Meeting?

Abstentions and broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which the broker or nominee is not empowered to vote on a particular matter) will have no effect on the outcome of these proposals.

Q: Will any other matters be brought before the Annual Meeting?

Management does not presently know of any other matters which will be brought before the Annual Meeting. If, however, other matters requiring the vote of the shareholders, not now known or contemplated, do properly come before the meeting or any adjournment or postponement thereof, it is the intention of the persons named in the proxy to vote the proxies held by them in accordance with their judgment in such matters.

The cost of the policies, which expire January 29, 2010, was \$530,000.

Q: Does the Board of Directors have any committees?

Yes. The Board of Directors has the following standing committees: Audit Committee, Executive Committee and Stock Option and Compensation Committee. The Board will elect new members to the committees following the Annual Meeting. The current members, activities and functions of the various committees are set forth below.

Director Independence

Because the Controlling Shareholder Group owns more than 50% of the voting power of the Company, the Company is deemed to be a “controlled company” under the rules of the NASDAQ Global Market. As a result, the Company is exempt from the NASDAQ Global Market rules that require listed companies to have (i) a majority of independent directors on the Board, (ii) a compensation committee and nominating committee composed solely of independent directors, (iii) the compensation of executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors and (iv) a majority of the independent directors or a nominating committee composed solely of independent directors elect or recommend director nominees for selection by the Board. The Company has an Audit Committee of the Board consisting of three independent directors as defined under the rules of the National Association of Securities Dealers, Inc. and the rules promulgated by the Securities and Exchange Commission. Other than the members of the Audit Committee, Messrs. Vaknin, Morag and Karni, there are no other independent directors that serve on the Board.

Code of Business Conduct and Ethics

The Company has adopted a (i) Code of Ethics for the Company’s Senior Financial Officers and (ii) Code of Conduct applicable to all of the Company’s employees and directors. These codes are designed to both insure that the Company’s business is conducted in a consistently legal and ethical manner, and address specific areas of professional conduct, including conflicts of interest, fair dealing and the strict adherence to all laws and regulations applicable to the conduct of the Company’s business. Copies of the Company’s Code of Ethics for Senior Financial Officers and Code of Conduct are available on the Company’s website at www.ampal.com.

Communications Between Shareholders and the Board of Directors

Shareholders and other interested persons seeking to communicate with the Board should submit any communications in writing to the Company’s Secretary at the following address: Ampal-American Israel Corporation, 555 Madison Avenue, New York, NY 10022. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The Company’s Secretary will forward such communication to the Board or to any individual director or directors to whom the communication is directed.

Policy Governing Director Nominations

As stated above, because the Controlling Shareholder Group owns more than 50% of the voting power in the Company, the Company is deemed to be a “controlled company” under the NASDAQ Global Market rules. Because the Company is a “controlled company,” the Board has decided not to establish a separate nominating committee or implement formal rules that would govern director nominations from shareholders, and each member of the Board participates in the consideration of director nominees. In the event of any vacancy on the Board, or in the event that the Board is to be expanded, the Board will determine at such time the appropriate procedures for filling the vacancy or additional position. The Board may decide at such time to authorize a committee of the Board of Directors to conduct the search for a director and to recommend nominations to the full Board of Directors.

Minimum Qualifications. The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and stock exchange requirements, including, but not limited to, the independence requirements of the NASDAQ Global Market and the SEC, as applicable. Nominees for director will be selected on the basis of outstanding achievement in such person’s career; board experience; wisdom; integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to the Board duties. While the selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, the Board believes that each director should have a basic understanding of (i) principal operational and financial objectives as well as plans and strategies of the Company, (ii) results of operations and financial condition of the Company and of any significant subsidiaries and investee companies, and (iii) the relative standing of the Company, its business segments and investee companies in relation to its competitors.

8

The Board also may consider (i) whether a candidate would be deemed to be “independent” under the applicable laws, rules and regulations of the NASDAQ Global Market and the SEC, as applicable, (ii) whether the candidate’s existing business commitments would interfere with the candidate’s ability to devote sufficient time to discharge his or her duties as a director and (ii) the input of the Controlling Shareholder Group.

Director Nominees Recommended to Stand for Election at the Annual Meeting . Mr. Weinstein, the sole director nominee who is not a current executive officer of the Company or a director standing for re-election, was recommended to the Board to be a director nominee by Yosef A. Maiman, the Chairman of Board, President and Chief Executive Officer of the Company, and by other members of the Company’s management.

Audit Committee

The Audit Committee currently consists of Messrs. Karni, Vaknin and Morag, each of whom is an independent director as defined under the rules of the National Association of Securities Dealers’ and the rules promulgated by the SEC. The Board has determined that Messrs. Morag and Vaknin are “audit committee financial experts” for purposes of the rules promulgated by the SEC. The Audit Committee held five meetings and did not act by written consent during the fiscal year ended December 31, 2008.

The Audit Committee assists the Board in fulfilling its responsibility to oversee management’s conduct of the Company’s financial reporting process, including the review of the financial reports and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof, the Company’s systems of internal accounting and financial controls, and the annual independent audit of the Company’s financial statements. The Audit Committee also has the duty and responsibility of approving all transactions between the Company, on the one hand, and any officer, director, or affiliate thereof, on the other hand, or any transaction in which any officer, director or affiliate has a material interest. A full description of the Audit Committee’s primary responsibilities is contained in the Audit Committee’s written charter, a copy of which was filed as Appendix A to the Company’s proxy statement for its annual meeting of shareholders in 2005 and is also available on the Company’s website at <http://www.ampal.com>.

The Stock Option and Compensation Committee does not operate pursuant to a written charter.

On September 19, 2006, the members of the Board engaged in discussions regarding the appropriate scope of the responsibilities of the Stock Option and Compensation Committee in light of the Company's "controlled company" status under the rules of NASDAQ and the fact that Mr. Yosef A. Q: How are the Company's executives compensated?

Objectives of Compensation Program

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive and principal financial officers of the Company, and the other three most highly compensated executive officers of the Company. These individuals are referred to as the "Named Executive Officers" in this Proxy Statement.

The objectives of our compensation program are (i) to attract and retain qualified personnel in the Israeli marketplace, (ii) to provide incentives and rewards for their contributions to the Company, and (iii) to align their interests with the long-term interests of the Company's shareholders.

Our Named Executive Officers compensation has three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

We determine the appropriate level for each compensation component based in part, but not exclusively, on competitive benchmarking consistent with a broad spectrum of companies in Israel and in the United States.

Due to the small size of our executive team and the need to tailor each Named Executive Officer's compensation package for retention and recruitment purposes, we have not adopted any formal policies or guidelines for allocating compensation between long term and currently payable compensation, between cash and non cash compensation or among different forms of compensation.

Responsibilities

The Compensation Committee is composed of independent directors as defined under the rules of NASDAQ and the SEC. The Compensation Committee does not operate pursuant to a written charter.

The Compensation Committee is responsible for (i) administering the Option Plans and determining the officers and key employees who are to be granted options under the Option Plans and the number of shares subject to such options and (ii) determining the annual base salary and non-equity based annual bonus for Mr. Maiman in his capacity as Chairman, President and Chief Executive Officer.

Mr. Maiman is responsible for (i) determining the annual base salary and non-equity based annual bonuses for all executive officers (other than the Chief Executive Officer) and for (ii) recommending to the Board directors compensation and benefit programs. Mr. Maiman also may attend and participate in meetings of the Compensation Committee.

No outside compensation consultant is engaged by the Company at this time, although the Company may elect to do so in the future.

Elements of Compensation

The material elements of the Company's executive compensation program for Named Executive Officers includes three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

Base Salary

We set our salaries for our Named Executive Officers generally based on what we believe enables us to hire and retain individuals in the competitive environment in Israel and rewards individual performance and the contribution to our overall business goals. We also take into account the base salaries paid by similarly situated companies in Israel and in the United States with which we believe we generally compete for talent. There are no formal guidelines or formulas used by us to determine annual base salary for our Named Executive Officers, as annual salary determinations are made on a case by case basis from year to year to react to compensation market trends in Israel and to take into account the Named Executive Officer's performance. Additionally, stock price performance has not been a factor in determining annual compensation because the price of the Company's common stock is subject to a variety of factors outside our control. Our approach to annual base salary is designed to retain our Named Executive Officers so that they will continue to operate at high levels in the best interests of the Company.

Determinations for annual base salary for the fiscal year ended December 31, 2008, were made by the Compensation Committee regarding Mr. Maiman and by Mr. Maiman regarding other executive officers.

Annual Cash Incentive Bonus Compensation

The non-equity based annual bonus compensation is based on each Named Executive Officer's individual performance for the Company over the fiscal year, which is measured in terms of overall effort, performance and contribution to the Company. In 2008, we considered the performance of our Named Executive Officers with respect to certain material transactions and the amount of funds raised during the year and allocated an amount among the Named Executive Officers who were involved in those special efforts. We take into account the amount of annual base salary paid to each Named Executive Officers in determining such Named Executive Officers' non-equity based annual bonus compensation. Determinations for non-equity based annual bonus compensation for the fiscal year ended December 31, 2008 were made by Mr. Maiman.

Long-Term Equity Incentive Compensation

At this time, we do not award long-term equity incentive compensation to our Named Executive Officers on an annual basis, however we may elect to award this form of compensation in the future. Following the April 2002 acquisition by Y.M. Noy Investments Ltd. of a controlling interest in the Company, we awarded long-term equity incentive compensation in April 2002 to provide the new management team with incentives aligned with shareholder interests and in December 2004, in recognition of the Named Executive Officers' assistance to a Special Committee of the Board of Directors that had been appointed to consider alternatives available to the Company to maximize shareholder value. In December 2006, the Stock Option Committee granted Mr. Maiman an option to acquire 250,000 shares of our Class A Stock for his service as Chairman of the Board. The amount of this award was consistent with the amount of the option grant previously awarded to Mr. Maiman in August 2002, which became fully vested in August 2006.

On December 8, 2008, the Compensation Committee and the Board of Directors approved the repricing of outstanding options to purchase, in the aggregate, 2,270,000 shares of Ampal's Class A Stock, which were previously granted to ten of the Company's current employees, executive officers and directors pursuant to the 2000 Plan, including the Named Executive Officers (except for Mr. Gilboa who held no options). See "Stock Option Plans" below.

While our current policy is to award option grants to our executive officers and directors, the awards granted under the Option Plans may be in the form of options, restricted stock, dividend equivalent awards and/or stock appreciation rights. There are no formal guidelines or formulas used by us to determine equity compensation awards for our Named Executive Officers.

As stated above, the Compensation Committee is responsible for determining long-term equity incentive compensation in accordance with the Option Plans. Such determinations are made in consultation with Mr. Maiman and other executive officers from time to time.

Perquisites

As is customary in Israel, we provide each Named Executive Officer with the use of a car, mobile phone, one meal per day, telephone expenses, economic newspapers, and stipends for traveling out of the country from time to time. The value of the specific car an employee receives varies according to his or her pay grade within the Company.

Additionally, consistent with practice in the Israeli marketplace, the Company reimburses the Named Executive Officers for a portion of the taxes associated with the use of the car and mobile phone.

Severance and Change of Control Benefits

Israeli labor laws and agreements require payment of severance pay upon dismissal of an employee or upon termination of employment in certain other circumstances, including retirement. The Company's severance pay is calculated based upon length of service and the latest monthly base salary (one month's salary for each year worked). Severance pay is paid from a fund into which the Company contributes up to 8 1/3% of the employee's base salary each month, in accordance with Israeli law and the customary practice in Israel. The Company's liability for severance pay pursuant to Israeli law is partly offset by insurance policies, where the Named Executive Officers are the beneficiaries of such insurance policies.

In addition to the above the Named Executive Officers are eligible to participate in a Pension Plan in which both the employee and the Company contribute up to 5% of the employee's base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement.

In addition to the above benefits, each of the employment agreements of certain executive officers provide that such executive officer shall receive an additional payment of six months' salary (together with all related benefits for the six month period including social benefits, use of a vehicle, mobile telephone and any other rights accompanying the executive officer's employment by the Company) in the event (i) of a change of control of Ampal and (ii) such executive officer's employment is terminated within six months from the date of the change of control

of Ampal. These arrangements were designed to provide these key employees with an additional benefit consistent with Israeli practice for employees in comparable positions.

Pursuant to the terms of the employment agreements of each of the certain executive officers, following the termination of employment, such executive officers shall not be involved, directly or indirectly, with any business or entity that is in the field of the Company's activities and/or is in direct competition in the field of the Company's activities for a period of six months following the termination of employment. Furthermore, during the term of employment at the Company and for a period of twenty four months following the termination of employment, each of these executive officers shall abstain from providing services in any manner whatsoever, including consulting services, either paid or not paid, to any business or occupation in which the Company was involved.

Education Fund

The Named Executive Officers are eligible to participate in an education fund in which both the employee and the Company contribute up to 2.5% and 7.5% respectively of the employee's base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement. The education fund contribution, which is customary in Israel, can be used by the Named Executive Officers at any time for professional education and every 6 years for any other purpose. As is customary in Israel, the Company also reimburses the Named Executive Officers for taxes associated with Company contributions to this fund beyond the maximum contributed amount allowed according to the Israel Tax law.

Vacation Provision and Recreation Pay

The Named Executive Officers are eligible to take one month vacation per year. Additionally, pursuant to Israeli employment laws, each Named Executive Officer is entitled to a certain amount of recreation pay to be used for any other purpose. Each Named Executive Officer is entitled to receive 13 days of recreation pay, which amounts to approximately \$1,690 on an annual basis.

Stock Ownership and Retention Guidelines

The Company does not have any stock ownership or retention guidelines or policies.

Q: What other benefits does the Company provide for its employees?

On February 15, 2000, the Compensation Committee approved an Incentive Plan ("2000 Plan"), under which the Company has reserved 4 million shares of Class A Stock, permitting the granting of options to all employees, officers and directors. The 2000 Plan was approved by the Board of Directors at a meeting held on March 27, 2000 and was approved by a majority of the Company's shareholders at the June 29, 2000 annual meeting of shareholders.

On December 8, 2008, the Compensation Committee and the Board of Directors approved the repricing of outstanding options to purchase, in the aggregate, 2,270,000 shares of Ampal's Class A Stock, which were previously granted to ten of the Company's current employees, executive officers and directors pursuant to the 2000 Plan. The outstanding options had been originally issued with exercise prices ranging from \$3.12 to \$5.35 per share, which represented the then current market prices of Class A Stock on the dates of the original grants. The repricing was effected by canceling the outstanding options, and granting to each holder of cancelled outstanding options a new option, with a ten year term, to purchase the total number of shares of Class A Stock underlying such cancelled outstanding options, at an exercise price equal to \$1.17 per share, the closing price of Class A Stock on NASDAQ on December 5, 2008, the most recent closing price prior to the approval by the board and the committee. The repriced options maintain the vesting schedule of the cancelled outstanding options.

19

The 2000 Plan remains in effect for a period of ten years from the date of the repricing. As of December 31, 2008, 2,921,000 options of the 2000 Plan are outstanding.

The options granted under the 2000 Plan may be either incentive stock options, at an exercise price to be determined by the Compensation Committee but not less than 100% of the fair market value of the underlying options on the date of grant, or non-incentive stock options, at an exercise price to be determined by the Compensation Committee. The Compensation Committee may also grant, at its discretion, "restricted stock," "dividend equivalent awards," which entitle the recipient to receive dividends in the form of Class A Stock, cash or a combination of both and "stock appreciation rights," which permit the recipient to receive an amount in the form of Class A Stock, cash or a combination of both, equal to the number of shares of Class A Stock with respect to which the rights are exercised multiplied by the excess of the fair market value of the Class A Stock on the exercise date over the exercise price. The options granted under the 2000 Plan were granted either at market value or above.

Under the 2000 Plan, all granted but unvested options become immediately exercisable upon the occurrence of a change in control of the Company.

Q: How has the Company's stock performed over the past five years?

The following graph compares the percentage change in cumulative total return (change in the stock price plus reinvested dividends) of

Ampal Class A Stock, the S&P 500 Stock Index, the peer group index (“Peer Group Index 1”) composed of Koor Industries (an Israeli holding company) and First Israeli Fund (an American closed-end fund that acquires equity interests in companies located in Israel) and the peer group index (“Peer Group Index 2”) composed of Elbit Imaging Ltd. (an Israeli holding company) and Elron Electronic Industries Ltd. (an Israeli holding company focusing on high tech ventures in Israel) for the period December 31, 2003 through December 31, 2008. In previous fiscal years, the Company charted the cumulative total return of its Class A Stock against Peer Group Index 1, however, this year it has chosen a new peer group index, composed of the companies in Peer Group Index 2, to replace Peer Group Index 1 because it feels that the businesses of the Peer Group Index 2 companies are more closely aligned with that of the Company. Both Peer Group Index 2 companies are Israeli holding companies and dual-listed on the NASDAQ Global Market and the Tel Aviv Stock Exchange, while Koor Industries is no longer a NASDAQ listed company. The stock price performances shown on the graph are not intended to forecast or be indicative of future price performance.

Q: Have the Company's officers, directors and shareholders filed all appropriate beneficial ownership reports with the SEC?

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Ampal's executive officers and directors, and persons who own more than 10% of a registered class of Ampal's equity securities, to file with the Securities and Exchange Commission initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 and 5), of Class A Stock of Ampal. To the

Company's knowledge, based solely on its review of the copies of such forms received by it, all filing requirements applicable to its executive officers, directors and greater than 10-percent stockholders were complied with.

Q: Does the Company enter into transactions with affiliated parties?

As of May 29, 2008, Ampal has loaned Merhav \$20.0 million to fund the sugarcane ethanol production project (the "Project") in Colombia being developed by Merhav. The loans were made pursuant to a promissory note, dated as of December 25, 2007, by Merhav in favor of Ampal (the "Promissory Note"). The Promissory Note was given in connection with an option agreement dated December 25, 2007 (the "Original Option Agreement"), with Merhav providing Ampal with the option (the "Option") to acquire up to a 35% equity interest in the Project. The loan will be convertible into all or a portion of the equity interest purchased pursuant to the Original Option Agreement.

On December 25, 2008, Ampal entered into an amendment (the "Option Amendment") to the Original Option Agreement. Under the Original Option Agreement, the Option expired on the earlier of December 25, 2008 or the date (the "Financing Date") on which both (i) Merhav obtained third-party debt financing for the Project and (ii) an unaffiliated third party holds at least a 25% equity interest in the Project. The Option Amendment extends the expiration of the Option to the earlier of December 31, 2009 or the Financing Date.

The Option Amendment also provides that in determining the price to be paid by Ampal for shares pursuant to the option under the Valuation Model (as defined below), the parties have agreed to review the discount rate set forth in the Valuation Model to determine whether the discount rate should be increased, provided, however, that the purchase price shall not exceed the amount Ampal would have paid without giving effect to the Option Amendment. The maximum purchase price for any interest in the Project purchased by Ampal pursuant to the option would be (A) with respect to any portion of such interest being purchased by conversion of the outstanding balance of the Amended Promissory Note referred to below, the lesser of (i) a price based on a currently agreed valuation model as updated from time to time to reflect changes in project, financing and other similar costs (the "Valuation Model") as such updates are reviewed by Houlihan Lokey Howard & Zukin at the time of the option's exercise or (ii) the lowest price paid by any unaffiliated third party for an interest in the Project, or (B) with respect to any portion of such interest in the Project being purchased in excess of the balance of the Amended Promissory Note, the lowest price paid by an unaffiliated third party for its interest in the Project, unless no unaffiliated third party has purchased an interest in the Project, in which case the purchase price will be based on the Valuation Model.

In consideration for Merhav entering into the Option Amendment, Ampal agreed to certain amendments to the Promissory Note reflected in an Amended and Restated Promissory Note, dated December 25, 2008 (the "Amended Promissory Note"). The Amended Promissory Note provides for (i) an increase in the annual interest rate from LIBOR plus 2.25% to LIBOR plus 3.25% and (ii) an extension of the maturity date of the Promissory Note to December 31, 2009. As a condition to amending and restating the Promissory Note, Ampal received a personal guaranty dated as of December 25, 2008, from Yosef A. Maiman personally guaranteeing the obligations of Merhav under the Amended Promissory Note.

The loan continues to be secured by Merhav's pledge to Ampal, pursuant to a Pledge Agreement dated December 25, 2007, between Merhav and Ampal, of all of the shares of Ampal's Class A Common Stock, par value \$1.00 per share, owned by Merhav.

Yosef A. Maiman, the Chairman, President and CEO of Ampal and a member of the controlling shareholders group of Ampal, is the sole owner of Merhav. Because of the foregoing relationship, a special committee of the Board of Directors composed of Ampal's independent directors negotiated and approved the transaction.

In connection with the offering of its Series B debentures, Ampal entered into a trust agreement (the "Agreement") with Clal Finance Trustees 2007 Ltd. (the "Trustee") which became effective on April 28, 2008, pursuant to which the Company issued its Series B debentures to investors in Israel. The Trustee is a member of a group of affiliated companies, controlled by and affiliated with IDB Holding Corporation Ltd. (collectively, the "IDB Group"), that owns approximately 5.43% of the Company's outstanding Class A stock as of the date of this annual report. In November 2007, Clal Electronics Industries Ltd. ("Clal Electronics"), also a member of the IDB Group, entered into a previously disclosed joint venture with the Company, through a wholly-owned subsidiary of the Company, that will focus on the new development and acquisition of controlling interests in wind energy projects outside of Israel. The joint venture is owned equally by Clal Electronics and the Company through its wholly-owned subsidiary. Clal Finance, also a member of the IDB Group, led distributors in the offering in Israel of the Series B debentures, and members of the IDB Group purchased a portion of the Series B debentures. A member of the IDB Group is acting as a market maker on the Tel Aviv Stock Exchange for the purchase and sale of the Company's Class A stock and Series A debentures.

Ampal entered into a management services agreement with Merhav, according to which Merhav provides Ampal and its subsidiaries with management, marketing, financial, development and other administrative services for an annual consideration of NIS 10 million (\$ 2.6 million).

Yosef A. Maiman, the Chairman, President and CEO of the Company and a member of the controlling shareholder group of the Company, is the sole owner of Merhav.
